

Brad joined CRD Building Consultants and Engineers in November 2019 having previously worked as a Builder and Director of a Building company for the previous 20 years.

Brad has a well-rounded building and construction knowledge. He is highly skilled in identifying and finding solutions to difficult building issues, thrives on complex problem solving and is confident in providing highly detailed and comprehensive causation reports and identifying scope of works. Motivated and passionate with a great attention to detail. Project management on several government jobs, Sydney Airport, Roads and Maritime Services (RMS), Building Education Revolution (BER), and Transport for NSW.
