

Graham joined CRD Building Consultants and Engineers in April 2018 having previously worked as a Building Consultant for Sergon Building Consultants.

Graham has over 30 years experience as a Carpenter and Builder which has provided him with a wealth of knowledge in both the practical and technical aspects of building and construction.

His range of projects extended from smaller carpentry projects in his early days of self employment to high end architecturally designed residential projects involving a wide and varied range of construction techniques and materials as his business developed.
